HIGH SCHOOL

# MASCOT DESIGN

## Contest

*Help design and choose the mascot for Northfield High School, opening in August 2015.*

### THE PROCESS

*Think about possible mascots. Criteria and considerations include:*

- *Should not be a mascot already in use by another area school*
- *Should be a mascot the whole school can be proud of*
- *Consider how the mascot design might work in different uses*
- *Consider how the mascot name sounds with "Northfield"*
- *Think about the mascot's relevance to this region*

### *Submit your mascot ideas.*

- *Draw or sketch your mascot concept on an 8.5 by 11 inch piece of paper*
- *You may work alone or with a group*
- ***Submit your mascot concept to Principal Avi Tropper by 8:00PM on September 28, 2014. Email your submission to [Avi\\_Tropper@dpsk12.org](mailto:Avi_Tropper@dpsk12.org).***

*The Northfield High School Mascot Advisory Committee will review all concept submissions and select three finalists to be refined further by a professional designer.*

*Polished design concepts will be presented back to students to vote on their favorite one concept.*

*Then the final design will be presented to the community!*
